we reach Vittoriosa for a walking tour through the narrow streets in the shade of historic buildings, including the first auberges of the various langues of the Order. At the Vittoriosa waterfront we take a typical harbour boat (dghajsa) for a tour of the colourful harbour creeks. From the Senglea Garden, situated at the tip of the peninsula, enjoy a stunning 360° view of the Grand Harbour, including the impressive Fort Sant Angelo from where Grand Master La Valette led the defence of the island during the Great Siege of 1565.

On the way, we will visit Dingli Cliffs offering panoramic coastal views and are 250 metres above sea level - the highest point on the Maltese Islands. The petite terraced fields, and the tiny uninhabited island of Filfla surrounded by the Mediterranean sea makes this visit a compulsory photo stop.

We continue the tour to Malta's former capital - Mdina. The narrow, winding streets, dating back to the Arab period, lead to the imposing bastions, commanding a panoramic view of the islands.

On the way there, you will discover different styles of architecture, including the medieval Siculo-Norman palaces, St. Paul's Cathedral, and other baroque buildings of great historical importance. Time stands still in this 'Silent City' which is a filmmaker's paradise. Transfer and Check in at your hotel in Valletta.
