Fun Fun Fun! Discover the Maltese Islands with a twist!

DAY 1: Arrival in Malta. Private Transfer to your preferred hotel (hotel not included). Night at the hotel.

Day 2: Discovery of Three Cities by Rolling Geek (Transport & LUNCH Not Included, any day)
Make your way to Vittoriosa (just a short walk and boat ride from Valletta, boat ride not included). You know how you always wanted a robot? Well, here's one on wheels. Rolling Geeks are cars that talk. No, not like Knightrider - think more like C-3PO ... with attitude.
They're small and quirky electric powered cars, very easy to drive, complete with pre-programmed GPS showing you where to go, and what to look for when you're there.

With Rolling Geeks, you will get all the knowledge of a tour guide, but with the freedom and flexibility to stop, park and explore whatever you want, whenever you want to. In just 2½ hours (with the option to add more hours), you can see 3 of the richest historical cities in Malta, pieces of living history kept alive by hundreds of years of preservation and discover incredible areas you just couldn't manage in a whole day on foot.

Enjoy the sights of Birgu (Vittoriosa), Isla (Senglea), Bormla (Cospicua) and their surrounding villages, and listen to our talking cars as they explain and give you detailed information on what you are seeing, with audio commentary available in 8 different languages.

Return to the Hotel or cross by ferry to Valletta (every 30min; ticket at €1.50 per person)

Day 3: The Island of Gozo by Tuk-Tuk (FULL DAY / 8 HOURS / LUNCH Included, any day)

Gozo is an enchanting island, brimming with rich history at every twist and turn.

Join us on our chauffeur-driven Tuk-Tuk tour and explore unique sites not easily reached by public transport or any hop-on hop-off buses. You will experience Gozo's magnificent heritage, visit key landmarks, discover hidden gems, all while relishing the impressive beauty and distinctive charm this tiny island has to offer.

Enrich your experience by discovering the tastes and flavours of Gozo.

We aim to serve you Gozo on a plate, starting with "Hobż biż-Żejt" a soft, crusty, Gozitan bread, spread with home-made tomato paste, topped with a drizzle of local virgin olive oil, served with our Gozo peppered cheeselets.

Then try our traditional "Ftira", made from unleavened dough topped with potatoes, olives, tomatoes, and anchovies. Finish off with something sweet, "Helwa tat-Tork" (Halva) is our after-dinner treat. Enjoy these local delicacies with a chilled glass of wine produced by one of Gozo's impressive vineyards. Then simply raise your glass, and like a local say... "Bis-Sahha!"

This tour has been carefully put together to ensure that you arrive as a guest and leave feeling like a local and can be customised to your liking.

Including: a pickup service from your accommodation in Malta & a special Gozitan light lunch during the tour (lunch is not included for children under 3 years old). Free WIFI is included.

The day includes (during the Tuk-Tuk tour) a swim stop in one of Gozo's bays (weather permitting), then at 4 p.m. (at the end of the Tuk-Tuk tour) clients will board the Yippee Island Hopper boat to have a mini cruise around the Island of Comino which will also include a swim stop* at the Crystal Lagoon. Transfers from Malta to Gozo & return will always be done by the Yippee Island Hopper boat (whether permitting).

The duration of the tour will be around 7 ½ hours

*Subject to weather conditions; the mini cruise around the Island of Comino is being offered as a complimentary added value to the package, therefore if due to any unforeseen circumstances, the mini cruise cannot be done on the day of your tour, no refunds will be given to any guests.
