ROBERT ARRIGO & SONS TRAVEL TOURISM MALTA

Full Day Private Tour Gozo

Gozo - the tranquil sister Island of Malta known for its rural charm, historic sites, and stunning coastline.

After a short twenty-minute ferry crossing we will reach Mgarr Harbour, which immediately sets the pace to Gozo's unique atmosphere. Although both islands are very similar in their history you will certainly notice that Gozo has it's own character. Gozo, also known as the isle of Calypso is much greener and more picturesque than Malta, visitors will surely be impressed by the island's lush countryside and its serene atmosphere. Gozo is well known for its crafts, particularly handmade lace and knitted garments.

During this excursion, your guide will lead you around the Megalithic temples of Ggantija, one of the oldest free-standing monuments in the world, pre-dating the Pyramids of Egypt. We will also visit the Dwejra inland sea, the medieval fortified city of Citadella and its Cathedral - with its distinctive skyline and imposing military architecture, this ancient, fortified city stands out as Gozo's major landmark, a beacon visible from all over the island. This will be followed by visits to the fjord-like bay at Xlendi and Dwejra.
