ROBERT ARRIGO & SONS TRAVEL TOURISM MALTA

Full Day Private Tour Valletta & Mdina

Valletta's bustling Baroque streets and Mdina's serene medieval alleys together showcase Malta's rich history in two unforgettable cities.

Our guided tour through the vibrant streets of Valletta reveals the beauty and charm of the fortified city built by the Knights in 1566. The Order of St. John ruled Malta for 268 years, leaving a unique cultural legacy with Valletta as its finest example. We begin with a breathtaking view of the Grand Harbour from the Upper Barracca Gardens, followed by a visit to **St. John's Co-Cathedral**, including the Caravaggio masterpieces in the Oratory and its exceptional marble inlaid floor. Walking down Republic Street, you will pass the Grand Masters' Palace and the restored St. George's Square.

In the afternoon, we continue to Malta's medieval city of Mdina, the island's former capital. Its narrow, winding streets, dating back to the Arab period, lead to imposing bastions offering panoramic island views. Along the way, you will discover diverse architectural styles, from medieval Siculo-Norman palaces to significant baroque buildings. Time seems to stand still in this 'Silent City,' a favourite location for filmmakers. Leaving Mdina through Greek's Gate, we proceed to the Dingli Cliffs before ending the tour at the San Anton botanical gardens, located near the Presidential Palace, which can be admired from outside.
