ROBERT ARRIGO & SONS TRAVEL TOURISM MALTA

Full Day Private Tour of Mdina, Dingli Cliffs and 3 Cities

Mdina, Dingli Cliffs and the Three Cities together showcase Malta's timeless charm, from Mdina's medieval streets to dramatic coastal heights and historic harbour fortifications.

We begin the day in the Grand Harbour area opposite Valletta, exploring the historic Three Cities–Vittoriosa, Cospicua and Senglea, where the Knights of St. John first settled in 1530. Passing through Cospicua, we reach Vittoriosa for a guided walk through its narrow streets lined with the earliest auberges of the Order. At the waterfront, we board a traditional dgħajsa for a scenic cruise through the harbour's colourful creeks, before heading to Senglea Garden for a magnificent 360° view of the Grand Harbour, including **Fort St. Angelo**, the stronghold of La Valette during the Great Siege of 1565.

In the afternoon, we continue to Mdina, Malta's medieval jewel and former capital. Its winding Arab-period streets lead to imposing bastions with breathtaking island views. Along the way, admire striking architectural contrasts–from Siculo-Norman palaces to refined baroque treasures–in this timeless 'Silent City,' cherished by filmmakers. Leaving Mdina through Greek's Gate, we head to the dramatic Dingli Cliffs before concluding the tour at the serene San Anton botanical gardens near the Presidential Palace.
