ROBERT ARRIGO & SONS TRAVEL TOURISM MALTA

Half Day Farm to Table

Discover Maltese tradition from soil to plate as you explore our thriving farmland, then craft a seasonal three-course meal in a hands-on cooking class using the freshest local ingredients.

In the morning, we will visit our 100 tumoli of farmland situated 100m away from our kitchen. Here you will learn more about the crops growing at our bountifully estate and experience the seasonal Maltese agricultural first hand.

The farm visit will be followed by a 3-hour hands-on cooking class at our Rural Workshop kitchen to cook a 3-course menu. Using healthy, traditional family recipes and local, seasonal ingredients, you'll discover the Maltese cuisine just like we cook it at home.
