ROBERT ARRIGO & SONS TRAVEL TOURISM MALTA

Malta Under the Stars

An enchanting evening journey through Malta's timeless heart, from the glowing Valletta Waterfront to the quiet charm of Rabat and the magical, lantern-lit streets of Mdina.

As the sun begins to dip into the Mediterranean, this evening tour unveils Malta at its most atmospheric and enchanting.

Valletta Waterfront comes alive at dusk, where centuries-old baroque warehouses glow under soft golden lights. The gentle lapping of the harbour, the silhouettes of traditional boats, and the buzz of waterfront cafés create a magical opening scene. Here, history and modern life blend effortlessly, setting the tone for an unforgettable evening. From the coast, we journey inland to Rabat, where narrow streets whisper stories of everyday Maltese life shaped over centuries. As evening settles, Rabat takes on a warm, intimate charm, locals gather in piazzas, church bells echo softly, and ancient façades are bathed in amber light. The town's calm, authentic atmosphere offers a striking contrast to the lively waterfront.

The highlight awaits in Mdina, the legendary Silent City. Entering its fortified gates at night feels like stepping back in time. With fewer visitors and hushed streets, Mdina's medieval walls, palaces, and lantern-lit alleys become truly spellbinding. Panoramic views from the bastions stretch across the island, twinkling beneath the night sky, a breathtaking finale that captures the romance and mystery of Malta.This evening tour is not just a visit to historic places, but a journey through mood, light, and timeless beauty, Malta revealed in its most unforgettable moments.
